

**September 21, 2021**

Calling all neighbors!

We would love to get everyone on Riveroak together for a meet and greet this fall.

### **Meet & Greet Homeowner's Meeting**

Some social interaction instead of distancing would be a nice change and would let us put names with faces, do a little business, and let the kids play.

Right now, this is in the planning stages and **if you would be interested in helping pull it together, please reply** by text at (678) 500-9143.

### **Vacant Committee Seat**

Also, as mentioned in prior newsletters, one of our former HOA committee members moved out of the neighborhood. This leaves an opening for a property owner interested in keeping our neighborhood safe, friendly, and beautiful and speaking up on behalf of others. Bottom line we need 3 votes for decisions.

If this sounds like you, please raise your hand by contacting us at [hoa@oakleystates.com](mailto:hoa@oakleystates.com) or texting us at (678) 500-9143

### **Annual Dues**

Invoices will be sent in October. We are trying to provide online payment this year. We'll let you know how to pay on the invoice.

### **Contact the HOA**

If you need to contact the hoa – please call, email or text. We would love to hear from you.

(678) 500-9143
